

Federal Rules of Civil Procedure. The dismissal determines or implies nothing with respect to the merit of the vagueness claim.

Because of vacation schedules during August, the parties stipulate that applications for fees or expenses may be submitted on or before September 15, 2011.

The parties respectfully request the Court to approve this Stipulation by a Final Judgment Order dismissing the remaining claim without prejudice and allowing all parties to and including September 15, 2011 to submit any motion for fees or expenses.

SO AGREED, this 29th day of July, 2011:

Respectfully submitted,

/s/ Silas B. Taylor
